Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

CenterPoint Energy crews are working on gas main and service upgrades throughout Phase II. Questions or concerns regarding this work should be directed to CenterPoint Energy customer service.

Concrete crews started placing curbs and gutters this week along Chowen Avenue and Chowen Curve. Aprons were poured on these streets to finish out the week. All curbs, gutters and aprons have been poured for phase I. For residents on Chowen Avenue and Chowen Curve who have had their driveway aprons and curbs poured, parking over the weekend is permitted on the west and south sides of the streets. Residents on these streets will not have driveway access for 5 to 7 days while the concrete cures.

Next week, crews will begin grading all of the roadways on phase I in preparation for the first layer of pavement. Paving is slated to begin on Wednesday, June 22. Residents should pay close attention to notices on their front doors regarding parking schedules during this time. When paving is complete, crews will start patching asphalt driveways. Tentative date for patch work is Thursday, June 23.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
